

Hail from the Princess – Lady Brenda Meadows

Hello Ladies - It's hard to believe I am writing this in the midst of summer. The days do fly by, don't they? I hope all of you are getting some good relaxing time and regenerating for the time we will be back at court, visiting with one another and working to help the children. One of my highlight times was actually last May when I had the opportunity to attend Grand Council in Kalamazoo. For those of you who have never attended a Grand Council I highly recommend it. For those of you who have attended you already know what a great experience it is. It is a chance to reconnect with friends and acquaintances you made in the past and to share experiences and new ideas with them. I think one of the things that impressed me the most was observing and interacting with our Grand Officers – both those currently in line and those who have earned the status of Past Grand High Priestess. Our Ladies show such a dedication to Ladies Oriental Shrine, still working to keep our organization successful and vibrant. Some are overcoming physical challenges but are there with love in their hearts and a smile on their faces. We have that same camaraderie in our court. When I look around the court I am so pleased to see how many long time members and Past High Priestesses we have who participate and help us stay successful. Thank you. To our new members, welcome aboard, we're so pleased to have you with us. If you have any questions or suggestions to make please let us know. As we say at the end of our meetings – “This is a great court”
